Important information for all applicants

Wembley Sports Association embraces the Sport England definition of Sports Equity in a club environment. The Association respects the rights, dignity and worth of every person and will treat everyone equally within the contact of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, disability, sexuality or social/economic status. The Association is committed to everyone having the right to enjoy their sport in an environment free from threat of intimidation, harassment and abuse. Members must comply with the codes of conduct laid down by the Association and the individual sections. There are discreet but clearly defined procedures for dealing with inappropriate behaviour, balanced by an appeal pathway for anyone who may feel they have been harshly treated in this respect.
